Step 2

When your teacher starts a Google Meet.

Click on the meet link shown in your Google Classroom.

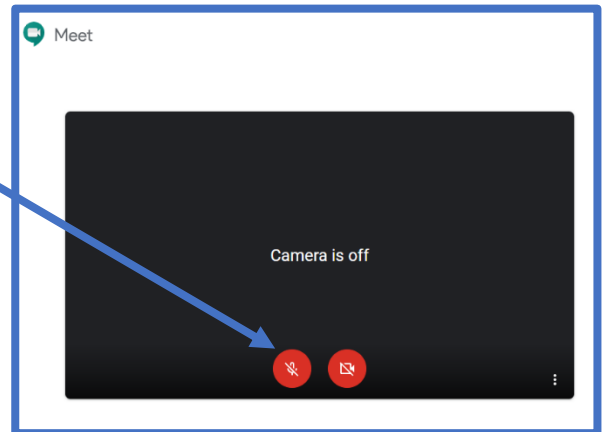

If your teacher has not started the meeting, you will see this.

Wait until your teacher starts the meeting and click Reload.

Step 4

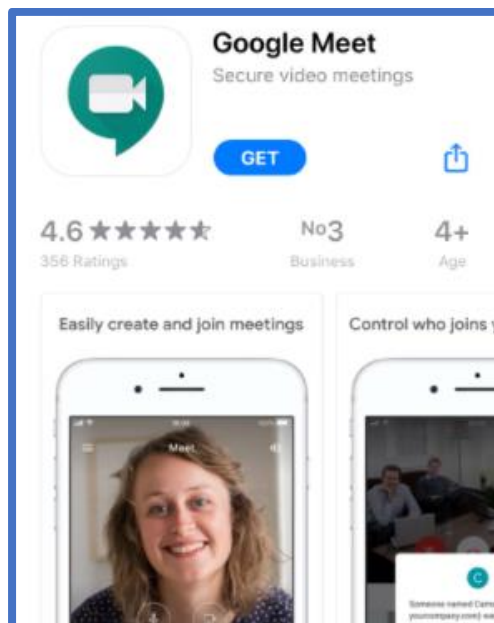

Click on the camera and microphone icons to turn them off or on.

How to access Google Meet using a Smartphone or iPad

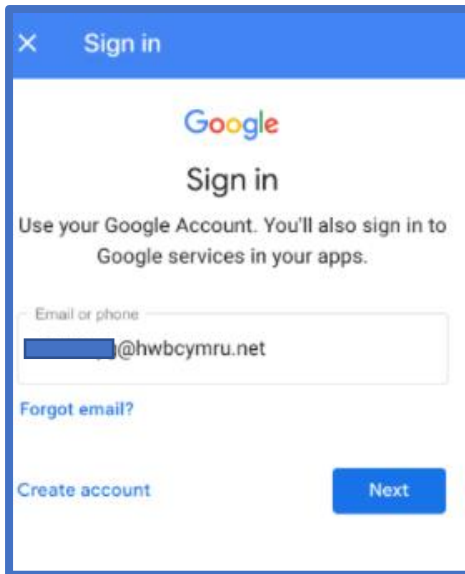

Step 1

Download the Google Meet App.

Step 2

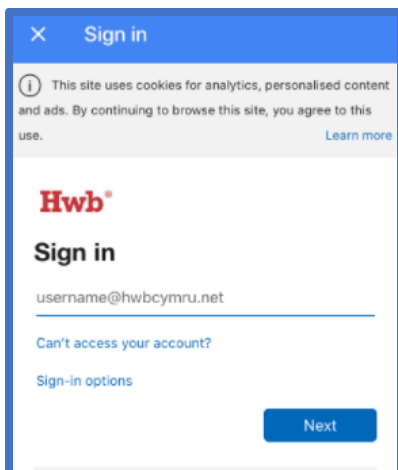

Type in your Hwb email address.

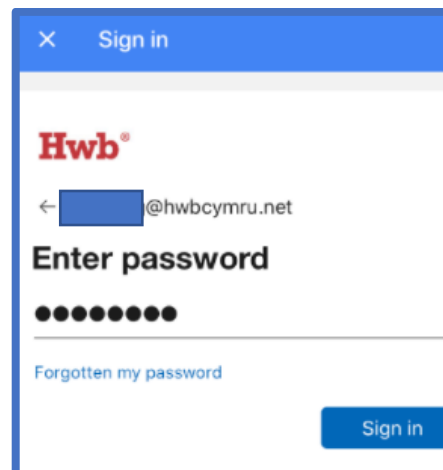

A screenshot of a web browser window titled "Sign in". The page features the Google logo at the top, followed by the text "Sign in" and "Use your Google Account. You'll also sign in to Google services in your apps." Below this is a text input field labeled "Email or phone" containing the text "[redacted]@hwbcymru.net". There is a link for "Forgot email?" and two buttons at the bottom: "Create account" and "Next".

Step 3

Type in your Hwb address again, then your Hwb password.

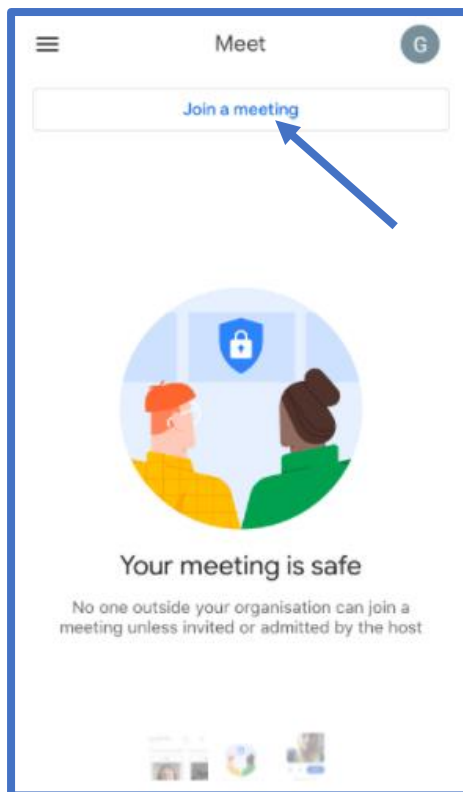

A screenshot of a web browser window titled "Sign in". At the top, there is a cookie notice: "This site uses cookies for analytics, personalised content and ads. By continuing to browse this site, you agree to this use." Below the notice is the Hwb logo and the text "Sign in". A text input field contains "username@hwbcymru.net". There are links for "Can't access your account?" and "Sign-in options", and a "Next" button at the bottom right.

A screenshot of a web browser window titled "Sign in". The Hwb logo is at the top. Below it is a text input field containing "[redacted]@hwbcymru.net". The text "Enter password" is displayed above a password input field represented by ten black dots. There is a link for "Forgotten my password" and a "Sign in" button at the bottom right.

Step 4

Click Join Meeting and type in your class meeting code.

Step 5

Click these icons if you do **not** want your face shown or to be heard during the meeting.

Once you are ready, click Join.
