2ND March 2022

Dear Parents,

I am writing to you with regards to parking around the school at drop off and collection times.

This is in response to further complaints that we have received from local residents around the parking of vehicles.

We fully understand that there is limited parking at the school and the layout of the surrounding roads makes the situation difficult, however there are plenty of places to park and it may mean that you have to walk slightly further than you may like.

We ask you to bear the following points in mind when you park your vehicle.

- Please do not park across a driveway. It prevents residents from leaving their house or returning home.
- Please do not park on the yellow zig zag lines. These are there for the safety of those at the school. You could be fined if you park here.
- Please do not park on the pavement. The pavement is for pedestrians ONLY. If you cannot park entirely on the road without causing disruption to traffic, then you should consider whether it is appropriate to park at that point. Remember that there are lots of parents walking with buggies with children walking alongside and also may restrict disabled access. Parking on the pavement may mean that they have to go on to the road to pass your car. You could be fined for obstructing the pavement.
- Please do not park on a bend or opposite or within 10 metres of a junction.

Police and council enforcement officers will monitor the situation.

Our aim is to ensure that you and your children arrive to and from school safely and that disruption to local residents is kept to a minimum.

We thank you for your support in this matter,

Wrexham Town Neighbourhood Policing Team
